## Rolesville High School Advanced Placement Program

### Student Information and Contract for AP Enrollment 2015-2016

The Rolesville High School Advanced Placement courses are taught at a college level and require excellent organizational skills, strong study habits, the ability to work independently, and a high level of interest and commitment. In addition, Advanced Placement students will have summer assignments to prepare them for the challenge of their Advanced Placement course(s).

#### AP COURSE COMMITMENTS:

- ✓ I understand that the first opportunity to drop an Advanced Placement course is Friday June 12<sup>th</sup>, which will allow me to pick an alternate elective of my choice. If I wait to drop this AP Course between June 12<sup>th</sup> and September 4<sup>th</sup>, I will be limited to choosing a course that will fit into my already established schedule. To drop the AP course, I understand that my parent/guardian must contact my counselor before the June 12 or September 4<sup>th</sup> deadline. I am making the commitment to continue this course for the entire academic year.
- ✓ I understand that taking the Advanced Placement exam is highly recommended by Rolesville High School, but does not guarantee college credit. Colleges and universities determine the minimum score for which they will award credit.
- ✓ I understand that Advanced Placement courses require a substantial commitment of time and energy. I will be diligent in completing my assignments thoughtfully and on time. I understand that I am responsible for being a constructive member of an AP course by participating in class discussions, working cooperatively in groups, respecting views of others, and taking responsibility for my decisions.
- ✓ I agree to complete the summer assignment(s) for each AP course in which I am enrolled and know these assignments may be due as early as the first day of class. Summer Assignments are due on the same day specified by the teacher regardless of when the course is scheduled (Fall or Spring). I understand that failure to complete the summer assignment(s) does not provide grounds for removal from a class, but may impact my grade. I understand it is my responsibility to obtain the information about each summer assignment from the appropriate AP teacher prior to leaving for the summer. In most cases, this information is also found the RHS Student Services website under the AP Courses tab.
