2014-2015 SCHOOL PROFILE

Mission Statement: *"Rolesville High School will equip students with the knowledge and skills to think critically, independently, and creatively."*

Vision Statement: *"The Rolesville High School community will provide a rigorous curriculum that actively engages all students to achieve mastery, ensuring high academic and social success."*

School Highlights:

Rolesville High School, established in 2013, is one of twenty-eight high schools within the Wake County Public School System. Rolesville High is a comprehensive public high school that offers a traditional curriculum based on the North Carolina Essential Standards, with a focus on Global Learning and Science, Technology, Engineering and Math (STEM). The Rolesville community is a rapidly growing area composed of multi-suburban and small-town, rural families. The town of Rolesville borders the capital city of Raleigh, Wake Forest, and Youngsville (Franklin County). Rolesville High School is a \$73 million, state of the art, 21st Century designed structure. In 2013, the school was opened with only 9th and 10th graders, with plans of adding a new class of students each year. Eventually, our campus will hold approximately 2800 students.

COLLEGE ADMISSION OPTIONS

Early Action is an admissions procedure to notify student of early admissions to the college. Students are not obligated to accept the college's offer of admission.

Early Decision is a plan under which candidates may submit credentials early to one college, usually by October 15 of the senior year. Applicants are notified of their status by December. As part of an early decision plan, students are required to sign a statement agreeing to accept the college's offer of admission and must only apply to one school as Early Decision. Students must withdraw applications from other colleges if accepted under early decision.

Regular Admission is the plan under which candidates submit credentials during November to February, depending on school deadlines. Check the deadlines for each individual school.

Rolling Admission is the plan under which candidates submit credentials at their convenience through a certain date, usually late in the year. They receive an offer of acceptance or denial within four to six weeks.

Onsite Admission is an admissions option in which colleges visit students at the high school and make admissions determination during a scheduled appointment with the student.
